

AYOUB BEN CADI

IT Specialist

Introduction

MSc Artificial Intelligence for Business candidate with a strong IT background in network configuration, application development, and web mapping solutions. Known for tackling complex IT challenges with a solutions-focused mindset, I'm passionate about integrating AI to optimize business processes and drive meaningful impact. Committed to ongoing growth, I'm excited to bring my expertise to forward-thinking IT roles that leverage AI and innovative technology.

Technical Skills

Java, Python, C, Oracle, MySQL, HTML, CSS, JS, PHP, REACT, ArcGIS
